1 Introduction

Greetings from KonarClasses, a truly world-class test preparation institute.

To help students realize their potential is the mission and purpose of our coaching. Our coaching is not defined by our name or status. It is defined by the way student satisfies when (s)he takes lesson from us.

We strongly believe, the performance of the students in the examinations is a feedback on how we, the faculty of KonarClasses performed in providing knowledge to our students.

Our **Arete-E-2020-2021** course is for the students admitted in Class-11 in the academic session 2019-2021 and set their aim high to prepare for different engineering entrance examinations (including Karnataka-CET, IITJEE main and advanced) along with their respective board examinations.

This course will be helpful to students in the following ways:

- Build a solid depth in the subject.
- Will learn new techniques to solve problems in lesser time.
- Will get a one to one session with our faculty members to clarify doubts, scope of improvements etc.
- Will be helpful to them to get a very good score in their respective board examinations while preparing for different engineering entrance examinations (including Karnataka-CET, IITJEE main and advanced).
- Our specially designed mock tests will enable students to get a real feeling of board examinations and different engineering entrance examinations.

Because of our dedicated and constant guidance combined with the hard working from students, so far 100% of our students got admitted into prestigious engineering institutes in different states of the country including NITs, IITs and in abroad.

Please go through the entire information brochure in details and realize how KonarClasses can make a great impact to the students preparing for board and different engineering entrance examinations (including Karnataka-CET, IITJEE main and advanced). In case you have any smallest query while going through this information brochure, never hesitate to give us a call/WhatsApp at +918095010670 or e-mail us at contact@konarclasses.com.

2 Admission Process

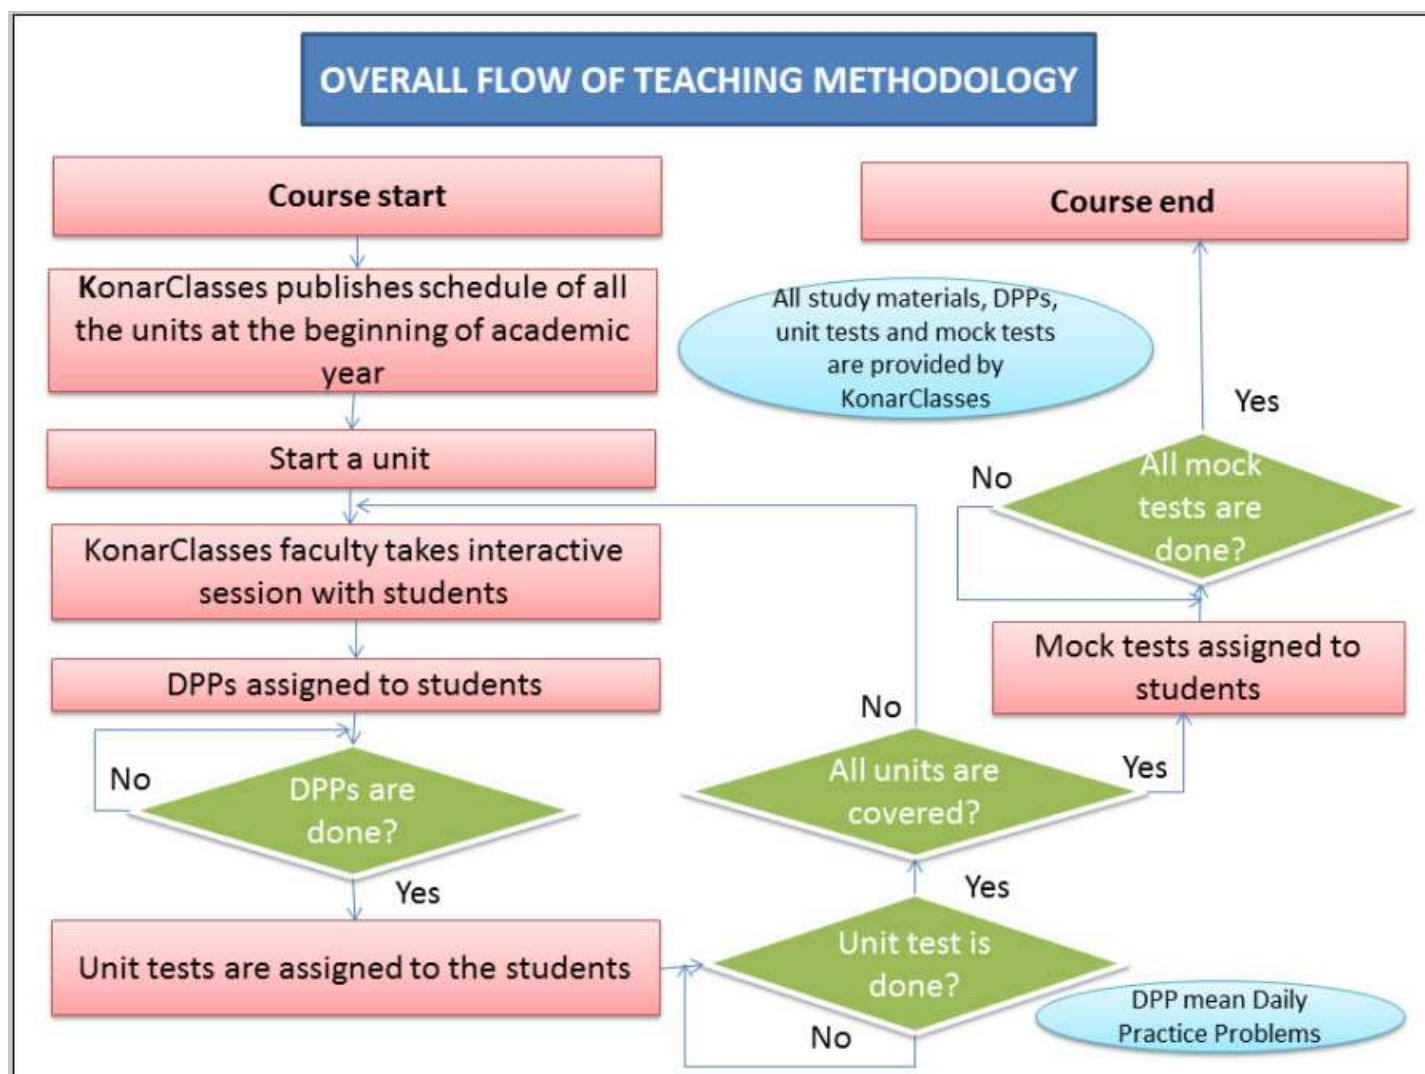

Students interested to take this coaching must qualify the online admission test as taken by KonarClasses. Admission is restricted to a maximum of 50 students and will be taken truly based on the performance in the admission test. The questions in the test is based on class-11 syllabus. Admission test is open from Saturday, February 01, 2020 till Saturday, February 29, 2020. Admission may get closed before Saturday, February 29, 2020 if we get 50 students meeting our expectations in the admission test. Here are the steps to attend the admission tests:

1. Go to www.konarclasses.com
2. Click on **Enroll For Classroom**.

3. Fill the relevant details.
4. Finally click on **Add**.
5. We will inform you the date and time for admission test either over phone call, or over e-mail or over WhatsApp.
6. Please note that you need to pay ₹ 100/- + 18% GST i.e. ₹ 118/- over online just before appearing this admission test. Upon successful payment, question paper will be available to you in the online test platform at www.konarclasses.com.
7. Within a day your result will be communicated to you either over phone call, or over e-mail or over WhatsApp.
8. Upon selection, you need to complete the formalities online to complete the admission process. We will communicate to you with further details. Please refer to the section **Course Fee** to know payment related information.

3 Overall Teaching Methodology

The overall teaching methodology is described by means of the following flow diagram:

4 Course Organization and Schedule

This entire course is for 15 months. It will start in March, 2020 and will end in May, 2021. The entire course structure is mentioned below:

- The entire syllabus of class-12 will be covered in 6 months, which means it will start in March, 2020 and the syllabus will be covered by August, 2020.
- Upon completion of the entire syllabus, there will be extensive revision followed by module tests.
- Upon completion of revision and module tests, there will be extensive mock tests for 2 months: March and April of 2021.

Here is the course organization for a particular week:

- At least 12 hours classroom session will be provided over weekdays after school hours, weekends and public holidays.
- The study materials, DPPs (Daily Practice Problems) and unit test question papers of a particular unit will be given to the students on regular basis. Each DPP contains 10 questions per subject per day.
- Solution to the DPPs, unit test question papers will be discussed after the test.

All the above steps will be repeated over weeks.

4.1 Course Schedule

The schedule of physics, chemistry and mathematics are mentioned below:

4.1.1 Physics Course Schedule

Unit	Physics Topic	Start Month	End Month
1	Electric Charges and Fields	March-2020	March-2020
2	Electrostatic Potential and Capacitance	March-2020	March-2020
3	Current Electricity	March-2020	March-2020
4	Moving Charges and Magnetism	April-2020	April-2020
5	Magnetism and Matter	April-2020	April-2020
6	Electromagnetic Induction	April-2020	April-2020
7	Alternating Current	May-2020	May-2020
8	Electromagnetic Waves	May-2020	May-2020
9	Ray Optics and Optical Instruments	June-2020	June-2020
10	Wave Optics	June-2020	June-2020
11	Dual Nature of Radiation and Matter	June-2020	June-2020
12	Atoms	July-2020	July-2020
13	Nuclei	July-2020	July-2020
14	Semi. Electronics, Materials Devices and Simple Circuits	August-2020	August-2020
15	Communication Systems	August-2020	August-2020
(*)	Extensive Revisions for Class-12 + Class-11 units	September-2020	February-2021
Tests	Extensive Mock Tests for Board and Entrance Examinations	March-2021	April-2021

(*) The entire Class-11 and Class-12 will get extensively revised in these 6 months. The entire syllabus will be divided into multiple modules and test on these modules will be done in these 6 months.

4.1.2 Chemistry Course Schedule

Unit	Chemistry Topic	Start Month	End Month
1	The-Solid-State	March-2020	March-2020
2	Solutions	March-2020	March-2020
3	Electrochemistry	March-2020	March-2020

(*)	Extensive Revisions for Class-12 + Class-11 units	September-2020	February-2021
17	Extensive Mock Tests for Board and Entrance Examinations	March-2021	April-2021

(*) The entire Class-11 and Class-12 will get extensively revised in these 6 months. The entire syllabus will be divided into multiple modules and test on these modules will be done in these 6 months.

4.1.3 Mathematics Course Schedule

Unit	Mathematics Topic	Start Month	End Month
1	Relations and Functions	March-2020	March-2020
2	Inverse Trigonometric Functions	March-2020	March-2020
3	Matrices	April-2020	April-2020
4	Determinants	April-2020	April-2020
5	Continuity and Differentiability	May-2020	May-2020
6	Application of Derivatives	May-2020	May-2020
7	Integrals	June-2020	June-2020
8	Application of Integrals	June-2020	June-2020
9	Differential Equations	July-2020	July-2020
10	Vector Algebra	July-2020	July-2020
11	Three Dimensional Geometry	August-2020	August-2020
12	Linear Programming	August-2020	August-2020
13	Probability	August-2020	August-2020
(*)	Extensive Revisions for Class-12 + Class-11 units	September-2020	February-2021
14	Extensive Mock Tests for Board and Entrance Examinations	March-2021	April-2021

(*) The entire Class-11 and Class-12 will get extensively revised in these 6 months. The entire syllabus will be divided into multiple modules and test on these modules will be done in these 6 months.

5 Test Organization and Schedule

Test is classified in the following three categories as mentioned below:

- * **Unit Test (UT)** : Test on each individual topic.
- * **Module Test (MDT)** : Test on each module in which each module consists of multiple units.
- * **Mock Test (MT)** : Test on the entire syllabus across all the three subjects i.e. physics, chemistry and mathematics for JEE(Main and Advanced), Karnataka-CET and other engineering entrance examinations.

A total number of 264 tests for JEE(Main and Advanced), Karnataka-CET and other engineering entrance examinations will be taken across these three types of tests viz. UT, MDT, MT. A detailed schedule of these three tests are mentioned in the following sections.

Each Unit test contains 50 questions per subject per unit. Each module test contains 100 questions per subject per module. Each mock test reflects exact nature of real examination like JEE(Main and Advanced), Karnataka-CET and other engineering entrance examinations.

5.1 Unit Test (UT) Schedule

A total of 72 unit tests will be taken over a period of 6 months. Here, test on each individual topic is performed. The detailed schedule is mentioned below:

Month	Year	Physics	Chemistry	Mathematics	Monthly Subtotal
March	2020	4	4	4	12
April	2020	4	4	4	12
May	2020	4	4	4	12
June	2020	4	4	4	12
July	2020	4	4	4	12
August	2020	4	4	4	12
TOTAL		24	24	24	72

5.2 Module Test (MDT) Schedule

A total of 162 module tests will be taken over a period of 6 months. Here, test on each individual module (a module comprise of multiple units of similar category) is performed The detailed schedule is mentioned below:

Month	Year	Physics	Chemistry	Mathematics	Monthly Subtotal
September	2020	9	9	9	27
October	2020	9	9	9	27
November	2020	9	9	9	27
December	2020	9	9	9	27
January	2021	9	9	9	27
February	2021	9	9	9	27
TOTAL		54	54	54	162

5.3 Mock Test (MT) Schedule

A total of 30 mock tests will be taken over a period of 2 months. This is a real examination and in each mock test, questions from all the three subjects are included i.e. physics, chemistry, mathematics for JEE(Main and Advanced), Karnataka-CET and other engineering entrance examinations. The detailed schedule is mentioned below:

Month	Year	Total Number of Mock Tests Performed
March	2021	15
April	2021	15
TOTAL		30

6 Evaluation Report Towards Improvements of Students

Every month evaluation report on each student will be submitted to the parents of the students covering the following points:

- The number of tests appeared by the student.
- Paper wise analysis report.
- Question wise analysis report.
- Topic wise analysis report.

7 Profile of Faculty Members

Overall profile of faculty members consist the following:

- Either B.Tech or M.Tech or B. Sc. or M.Sc. or Ph. D from reputed universities.
- Extremely knowledgeable in their respective fields.

8 Course Timings

Each student will get a coaching of atleast 12 hours per week distributed across the weekdays after school hours, weekends and other public holidays. Coaching will be provided in online mode. Students need to have access to moderate internet connection to take this coaching.

Apart from coaching, each student will be given access to online learning platform and online test platform to view quality video lectures, study materials, appear practice tests, adaptive tests, unit tests, module tests and mock tests etc.

9 Course Fee

₹ 3,000/- + 18% GST i.e. ₹ 3,540/- per month. Payment needs to be complete in two installments on yearly basis. First installment of ₹ 42,480/- during admission and second installment of ₹ 42,480/- on or before March 31, 2020.

Testimonials

To understand how much impact we have made to our students so far, we took candid feedback from our students and their parents/guardians about our coaching. Here are some testimonials:

Statement from Mr. Rajiv Sood

“Respected Ujjwal Konar Sir, Gourika has taken a one year maths coaching for Class XII from you, after enrolled in your maths coaching she finally conquered her fear in math. I really appreciate you being so patient with her and working so hard to boost her confidence. The additional instruction you gave her really made a difference and Successful to scored 95% in maths only with your one year coaching. Gourika will always remember you as best maths teacher in her life. I personally recommends, If anyone looking for best maths coaching should take it from UJJWAL KONAR SIR.” [Above statement is from Mr. Rajiv Sood. His daughter, Gourika Sood, a student of National Public School, Yelahanka took mathematics coaching from Konar-Sir for her Class-XII board examination, IITJEE, K-CET and other engineering entrance examinations.]

Statement from Shamik’s Father

“My son Shamik is in 11th standard and taking Konar-Sirs class for last one and half years. He really likes the way Konar-Sir explains and clarifies conceptual doubts and provides selective problems to build confidence on the concepts. What I like most in Konar-Sir, he uses latest technology in most effective way to create a gurukul environment with his virtual presence while become friendly to his students. Our society needs many Konar-Sir like passionate teachers to build the future of the next generation.” [Above statement is from Mr. Sudhendu Basu, Founder and CEO at Entuze Technology Solution. His Son, Shamik Basu, a student of Presidency School, South Bangalore is taking mathematics coaching from Konar-Sir for his Class-XI board examination, IITJEE, K-CET and other engineering entrance examinations.]

Statement from Aditya’s Father

“My son is Aditya Mahesh studying in grade 7, National Public School, Koramangala. Konar-Sir’s teaching methodology is spot on to plug the ever increasing gap between the school’s direction and parents expectations. He has cultivated the interest in our son towards mathematics and build the confidence to attack any problem including the ones at higher level. Konar-Sir builds this aptitude through making the students work through a series of of problem on a regular basis. The format of his assessment papers are in par with that of standard competitive exams. This removes the fear and makes the kids very comfortable while taking the competitive exams. Konar-Sir also explains the history of mathematics to his students such as Ramanujan’s number which has cultivated an interest towards maths in my son. We are very happy to have him as a mentor for our son.” [Above statement is from Mahesh Krishnan, Staff Hardware Engineer, Intel. His Son, Aditya Mahesh, a student of NPS, Koramangala is taking mathematics coaching from Konar-Sir for his Class-VII board examination, foundation for IITJEE and other engineering entrance examinations.]

Statement from Rohit’s Father

“Konar-Sir bridges the gap where the current education system fails - helping students understand & appreciate concepts; not just focus on marks. A consummate academician

who genuinely holds the student's interest at heart. Any student who keenly cooperates & works under his direction will excel." [Above statement is from Mr. Ramesh Chandrasekaran, a very senior executive in a multinational bank. His Son, Rohit Murugan, a student of PSBB millennium School, Chennai is taking mathematics coaching from Konar-Sir over online for his Class-XI board examination, IITJEE and other engineering entrance examinations.]

Statement from Aparna's Father

"I think we are very lucky we found you." [Above statement is from Prof. B. Ananthanarayan, Professor and Chairman, Centre for High Energy Physics, Indian Institute of Science. His Daughter, a student of DPS, North Bangalore is taking mathematics coaching from Konar-Sir for his Class-XI board examination, IITJEE, K-CET and other engineering entrance examinations.]

Statement from Sagnik's Father

"My son, Sagnik, who studies in standard VII, has been under the tutelage of Konar-Sir for past 2 and half months. I see a noticeable improvement in Sagnik's approach towards mathematics. Konar-Sir employs latest technology and well thought out pedagogy to prepare his students. He lays emphasis on building the foundation for IIT-JEE - which, in my opinion, is very crucial at an early stage. I am very happy with his teaching style and method." [Above statement is from Dr. Shubhashis Sengupta, Associate Director and Research Fellow, Accenture Technology labs, Bangalore. His son Sagnik, a student of NPS, Koramangala is taking mathematics coaching from Konar-Sir for his Class-VII board examination, foundation for IITJEE and other engineering entrance examinations.]

Statement from Anshuman's Father

"My son has been taking class-11 maths classes from Konar Sir for the last one year in Bangalore. I have observed his teaching style, and his unique value is that he gives personal attention to his student. He gives regular assignments, and also expects the student to regularly submit the answers, and after that he is very prompt in sending detailed corrected manuscripts back to the students. This feedback is very helpful to the student in understanding his mistakes and to take corrective actions. His skype classes help the far-way students to take advantage of this very personalized teaching and guidance. Sometimes, to optimize on the time, he gives pre-work to be done by the student and he clarifies the concept in more detail in the skype class. In this way, the student can quickly understand the concepts. The student is also permitted to ask any special questions that he is having difficulty with (maybe from some other book), and Konar Sir helps him to solve the problem in detailed logical steps." [This statement is from the father of a student based in Bangalore. The student is from National Public School, Koramangala, Bangalore and his father is a senior Software Architect in a multinational Software Company.]

Statement from Shubham and Atharva's Mother

"Konar Sir has been teaching my kids - Atharva (11th) and Shubham (8th) for close to one year. We are very lucky to have him as a tutor. He is very passionate about teaching and thorough in his subject. He is quite approachable and always available to help his students. He prepared a plan for both of them right in the beginning of the year and finished their maths portion for the year in 7-8 months. Since both of them feel confident about Maths, they can spend more time on other subjects. Konar sir has helped my kids

not just with Maths but also suggested good teachers for Physics and Chemistry.”[Above statement is from the mother of two of my students Atharva and Shubham based in Bangalore. Both the student in from National Public School, Indiranagar, Bangalore and their parents are architect of Semiconductor and Computer Networking Industries.]

Statement from Abhinav’s Parents

”We would like to thank Mr. Konar for tutoring our son Abhinav Krishnan for over a year now. Abhinav moved from a Common Core syllabus in the USA to a IGCSE syllabus in Grade IX. Mr. Konar helped Abhinav to gain confidence in concepts he was not familiar with, break down complex topics into simpler fundamentals. This is important as IGCSE focuses on application oriented problem solving and through understanding of concepts. The best testimony to his teaching style and ability to build a rapport with the students is that Abhinav looks forward to putting in the extra hours with him during the weekend! Mr. Konar always goes above and beyond. He is currently helping us gain an understanding of the higher education options for Abhinav. We rely on his recommendations as it comes with the best interest of the student and knowing the student well. Abhinav will be preparing for his IGCSE Xth grade board exams and various entrance exams under the guidance of the Mr. Konar. We are pleased that we have Mr. Konar as a partner in helping shape our child’s future. Thank you Mr. Konar!”[Above statement is from the Subashree & Manjeri Krishnan, parents of Abhinav Krishnan have been educated in both India and in the US. The student in from Oakridge International School, Bangalore. Subashree is a Sr Manager, Product Management, Cisco Systems. Manjeri Krishnan, is Director Product Management at InstartLogic.]

Statement from Debjani’s Father

”Whatever Debjani improves in her carrier till now that is only due to you and your effort. I can also see her gradual improvement as well as her interest in mathematics. Your Coaching style is excellent.”[The above statement is from Mr. Ritabrata Mukherjee, father of Debjani Mukherjee. Debjani, a student of Presidency School, Bangalore North is taking mathematics coaching from Konar-Sir for his Class-IX board examination, foundation for IITJEE and other engineering entrance examinations.]

Statement from Zeesha’s Father

”Mr. Konar’s key strength lies in being adaptable with respect to student’s learning needs by varying pace and dialing up degrees of difficulty progressively - this method of teaching instills student’s confidence in Mathematics & the subject becomes more enjoyable.”[The Above statement is from Mr. Kalyan Bandyopadhyay, Marketing Director - Food & Nutrition SBUs, Africa at PZ Cussons. His daughter Zeesha, a student from Lagos, Nigeria is taking mathematics coaching over online from Konar-Sir for her Class-IX preparation.]

What Neenu Says...

”Sir, I would like to thank you for the excellent tutorial session. Within such a short period I could cover almost all the topics and I really got a chance to learn from the basics. I thank for all the help and support from Konar-Sir. Such a great teacher I have never had!” [Above statement is from Neenu Mukund, currently working in a reputed IT company. While student, Neenu took mathematics class from Konar-Sir.]

What Nihar Says...

"The best part about Konar-Sir's teaching is he first understands the difficulty of his student, what is the basic problem the student is facing and then keeping that in mind he started his teaching. Konar-Sir's explanation methodology is very understandable (student friendly)." [The above statement is from Nihar Patil, student of M S Ramaiah Institute of Technology, Bangalore, Karnataka. Nihar took mathematics class from Konar-Sir.]

What Unni Krishnan Says...

"I attended Konar-Sir's class. I greatly benefited from his classes. He was able to explain the concepts in an interesting manner. He was helpful in clearing my doubts as well." [The above statement is from Unni Krishnan, student of New Horizon College of Engineering, Bangalore, Karnataka. Unni took mathematics class from Konar-Sir.]

What Siddharth Says...

"I took coaching from Konar-Sir. Passion, determination, motivation, hard working are just a few qualities of Konar-Sir. I would like to thank you Konar-Sir from the bottom of my heart." [The above statement is from Siddharth Rathod, student of M S Ramaiah Institute of Technology, Bangalore, Karnataka. Siddharth took mathematics class from Konar-Sir.]

What Brajesh Says...

"Hi, I am Brajesh Kumar from Jharkhand and now taking JECA crash course from Konar-Sir in Kolkata. When I met to Konar-Sir I just inspired by his personality and what he said. At that time I thought, what he is talking right now, will he execute it in upcoming days? But I was wrong. He is the best teacher I have ever met. Its because he is the student of his students in true sense. Whenever you asked any question what ever the level of the question, he never irritates by the question and explains the fact until you got it. Konar-Sir is not just a teacher, to me he is a guide and a mentor in true sense. He is always there to clarify the doubt, sort-out the problems, whenever a student needs and hardly comes the way the time, the medium and other hurdles. Being associated with Konar-Sir means not just learning but understanding the facts, not only lesson but knowledge. He helps you in exploring the unfathomed potential and shapes the skills in a way, which helps you to reach and realize your goals. And one thing that Konar-Sir always used to say and I love that is You will tired by asking but I will never tired by explaining. In the last one thing I want to mention that he gives the value of your money and your time, because in his classroom there is one-to-one mode of learning, means one can ask the question directly to Konar-Sir in the classroom or over the e-mail or on the phone and get the solution immediately. Thanks & Regards, Brajesh Kumar." [The above statement is from Brajesh Kumar. Brajesh took JECA entrance coaching from Konar-Sir.]

What Parijat Says...

"Thank you for the unconditional help that you provided me during my entrance examination preparation days. I am really grateful to you." [The above statement is from Parijat Roy. Parijat took special mathematics coaching from Konar-Sir for WBJEE and IITJEE and secured ranks 215 (All India Rank) and 118(West Bengal State Rank) respectively in IITJEE.]

Statement from Aneswa's Father

"I am satisfied with my daughter's Maths Teacher (Konar-Sir). Konar-Sir is sincere, systematic, helpful, target oriented, able to find the potential of the student and he has very positive feed back system." [The above statement is from Mr. Chandan Pal, father of Aneswa Pal. Aneswa was a 10 + 2 student and took mathematics coaching from Konar-Sir for her WB-Board examination, WBJEE and IITJEE.]

What Harshita Says...

"I am extremely lucky to find you as my teacher of Mathematics, although it's bit late. You are like a blessing in disguise for me. You upgraded me to a level in Mathematics where now I am able to solve questions on my own. You helped me build up confidence in me to be able to get through my entrances. I am greatly indebted to you for great transformation in me." [The above statement is from Harshita Garg, a student of Maharaja Aggarsain Adarsh Public School, Peetampura, New Delhi. Harshita took mathematics coaching from Konar-Sir in Kolkata for three months.]

Statement from Rahul's Father

"I have no words to express my sincere gratitude for the guidance you had provided to my son. Regards, D P Paul." [The above statement is from Mr. D P Paul, father of an IITJEE aspirant. Rahul, son of Mr. D P Paul took IITJEE mathematics coaching from Konar-Sir.]

What Tamal Says...

"I used to be very poor in Mathematics and came to know about Konar Classes through internet. After consulting Konar-Sir, our honorable Mathematics teacher, I started taking his classes. While preparing for AIEEE and IITJEE, I was unable to answer even simple and basic Algebra. Sir quickly understood my problem and started teaching me from very basic in a very step by step manner. No matter how silly and basic the question I used to ask in mathematics, Konar-Sir always answered them happily during classes. Thanking you Konar-Sir for always being a source of my motivation." [The above statement is from Tamal Kumar Das, a 10 + 2 student of NIOS (National Institute of Open Schooling). Tamal took mathematics coaching from Konar-Sir.]

10 Significance of the name of the Course : Arete

Arete in its basic sense, means "excellence of any kind". In its earliest appearance in Greek, this notion of excellence was ultimately bound up with the notion of the fulfillment of purpose or function.

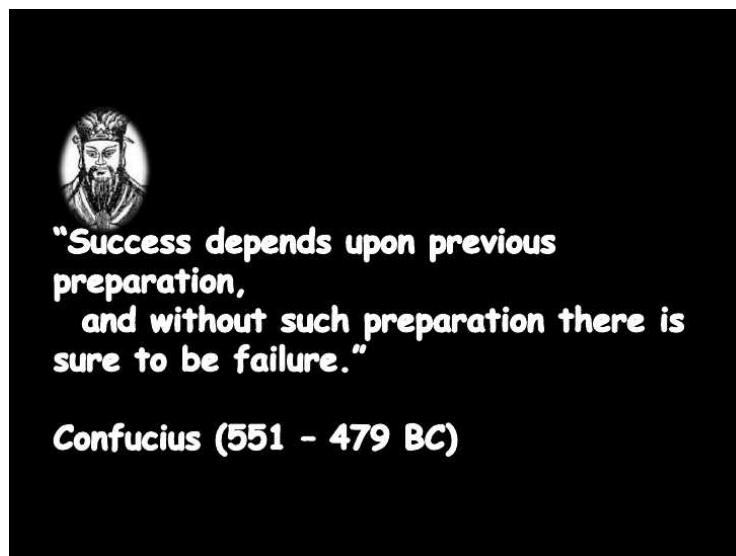

11 Present Achievement of our Past Students

As mentioned in the beginning, to help students realize their potential is the mission and purpose of our coaching. Our coaching is not defined by our name or status. It is defined by the way student satisfies when (s)he takes lesson from us.

So many of our past studnets went to the prestigious institutes in the world, succeeded in their career and now are doing extremely well in the field of engineering, science, technology, medicine, research to name a few.

Truth be told, it is the students hard work and preseverance leads to their success in their the respective profession. We at KonarClasses only take pride that during their formative days we provided truly world class cocaching to realize their potential.

Will you want to be the next one? If so and if you strong determination, we at KonarClasses will do the rest.

To help students realize their potential is the mission and purpose of our coaching. Our coaching is not defined by our name or status, It is defined by the way student is satisfied when (s)he takes lessons from us. We strongly believe, the performance of the students in the examinations is a feedback on how we, the faculty of KonarClasses performed in providing knowledge to our students.
