*"Hi, I am Brajesh Kumar from Jharkhand and now taking JECA crash course from Konar-Sir in Kolkata. When I met to Konar-Sir I just inspired by his personality and what he said. At that time I thought, what he is talking right now, will he execute it in upcoming days? But I was wrong. He is the best teacher I have ever met. It's because he is the student of his students in true sense. Whenever you asked any question whatever the level of the question, he never irritates by the question and explains the fact until you got it. Konar-Sir is not just a teacher, to me he is a guide and a mentor in true sense. He is always there to clarify the doubt, sort-out the problems, whenever a student needs and hardly comes the way – the time, the medium and other hurdles. Being associated with Konar-Sir means not just learning but understanding the facts, not only lesson but knowledge. He helps you in exploring the unfathomed potential and shapes the skills in a way, which helps you to reach and realize your goals. And one thing that Konar-Sir always used to say and I love that is "You will tired by asking but I will never tired by explaining." In the last one thing I want to mention that he gives the value of your money and your time, because in his classroom there is one-to-one mode of learning, means one can ask the question directly to Konar-Sir in the classroom or over the e-mail or on the phone and get the solution immediately. Thanks & Regards, Brajesh Kumar."*
